Truthfully and gracefully depicting the clannish, unconventional world of leather fringes and sacred steel, The Biker Code is a perfect gift book for the merely curious, and illuminated scripture for the true disciple. Perhaps no American subculture is as consistently fascinating and serially misunderstood as the biker movement. Both feared and lionized by the mainstream, the insular, fiercely defiant community of hardcore hog devotees is notoriously difficult to infiltrate. But here comes The Biker Code, affording a revealing, knowing, and warm glimpse of the biker lifestyle for the lifelong rider and the uninitiated alike. With fifty photographs in elegant, spare black and white, The Biker Code captures the iconoclasts, free spirits, and born-to-ride outlaws of Planet Harley. Unlike any book that has come before it, The Biker Code quietly understands and affectionately celebrates the Harley life. The Biker Code features original photographs, artwork, and quotes that honestly depict and cleverly celebrate American motorcycle culture.
